Welcome Back

Our Nursery staff are Mrs Thirsk (class teacher), Miss Ball, Miss Parker, Mrs Catt and Miss Loosemore. We would like to give all our new children and families a very warm welcome, and we hope you enjoy your time with us. If you have any concerns, please do not hesitate to come and talk to us or phone the school office and we will give you a call back.

We are all excited about the Autumn term as we have some exciting activities planned. This term we will be talking about jobs in the community. As part of this we will be looking at what we might like to be when we grow up. We will develop our understanding of Adwick's character values and show ambition and perseverance to achieve. We will find out about the different occupations in our community and learn how these people help us in our everyday lives.

Many thanks for your continued support.
Nursery Team

Important Dates & Information

Key Diary Dates

Key diary dates for the term can be accessed [here](#).

The Foundation Stage Nativity will take place on 11.12.24. More details will be confirmed at a later date.

Trip date

Walk in the local community to look at the different occupations. Parents will be invited to walk with us to support the trip.

We will have an AM nursery walk, and a PM nursery walk. 30 hours children will be able to choose which walk they join.

AM – Thursday 3rd October at 9.45

PM – Thursday 3rd October at 1.45

We are also planning to have a visit from the police, where children will be able to ask questions about the role.

Parent Workshop date

We will be holding a parent meeting in the Autumn term to talk about what you can expect from the nursery year.

Tapestry app and Instagram

Have you seen our Instagram page? Make sure to follow us @ adwickprimary23

We will also use the Tapestry app to send out home learning. You should all have had an email with a link to follow. If you need any help to set up the app, please just ask.

Please take a look at the school website for further support and information on the Early Years

Curriculum Information

Literacy

The stories we will be sharing this term are:

Reach for the stars

What job could you do?

Real Superheroes

The Nativity

Children will listen carefully to these stories and begin to talk about what they tell us. They will use the language we learn through stories in role play and small world activities. Children will be taking part in many mark making activities to develop control with mark making materials. They will have many opportunities to draw on a large scale and we will spend time developing our perfect pinch to help control a pencil carefully. The children will also practise drawing lines, circles and shapes to develop control.

All our new children will be developing their understanding of our rules and routines and will take part in lots of speaking and listening activities.

Numeracy

We will have many activities to support children's understanding of numbers and amounts. The children will be taking part in counting activities to help them say numbers in order and count small amounts. They will be learning lots of counting songs to say numbers in order. Children will also have many opportunities to play with Numicon, this will help children to recognise amounts, identify how many and compare amounts. Later in the term we will look at shape, size and measure.

Topic

Our topic for the Autumn term is 'What does your job do to help our community?' Children will have many opportunities to ask questions and explore different roles, jobs and opportunities. We will be meeting different people from the community, who will share their

experiences with the children. As part of the topic children will be making some thank you cards for people that help and support us in our everyday lives, from postal workers, shop workers, police, mechanics and hairdressers.

Throughout the term children will have the opportunity to explore materials to create models and develop drawing skills. They will be drawing a self-portrait, using circles, lines and shapes to represent facial features. Children will also be talking about what they might like to be when they grow up.

The children will spend lots of time exploring all the new activities we have to offer in nursery, including playdough, painting, construction, sand, water, cutting and sticking activities. They will learn how important it is to look after their nursery and how to tidy up and look after others in our team.

Further Information

We have the highest expectations of pupils at Adwick Primary in terms of both their behaviour and progress at school. This is underpinned by our Character Values (see below), which shape and determine the culture at the school.

Character Values

- Compassion
- Integrity
- Respect
- Courage
- Ambition

Pupil Code of Conduct

Pupils are expected to follow the school's Character Values, showing respect for the rights and needs of other pupils and of all adults in our school community. We kindly request that parents/ carers support the school in helping their child to uphold our Pupil Code of Conduct by encouraging them to conduct themselves in a positive manner by:

- Behaving in an orderly and self-controlled way
- Showing respect to members of staff and each other
- In class, making it possible for all pupils to learn
- Moving quietly and orderly around the school
- Treating the school buildings and school property with respect
- Wearing the correct uniform at all times
- Accepting the behaviour correction strategy when given, and appropriately completing the behaviour correction strategy given
- Refraining from behaving in a way that brings the school into disrepute, including when outside school and in the community

The school's behaviour policy can be accessed [here](#).

Attendance and punctuality

- Excellent attendance at school is important as it enables your child to fulfil their potential. Every single day your child is absent from school equates to a day of lost learning. We class 'Excellent' attendance as 100% and 'Good' attendance as 97%.
- Every child should have at least good attendance (97% +) to enable them to fulfil their potential – every day at school matters.
- We kindly request that every child is on time and ready to learn each day. Lateness can cause issues with your child's learning and self-esteem.
- [Drop-off and pick-up times and procedures](#)
- [Attendance Matters Information](#)

Holiday requests in term time

- You can demonstrate your commitment to your child's education by not taking holidays during term time.
- Any child or young person who is absent from school due to a holiday will miss out on important learning and will fall behind with their school work.
- In each academic year, there are only a maximum of 190 statutory school days. This allows plenty of time (175 days) for holidays to be arranged outside term time.
- Details on school holiday dates, bank holidays and training days can be accessed [here](#).
- **Please note, Adwick Primary will not authorise any holidays in term time. These will be categorised and recorded as an unauthorised absence.**

Pupil uniform

- Wearing a uniform gives the children a sense of belonging to a community and is also good preparation for Secondary School and the workplace.
- The school encourages pupils to look smart and avoid any extreme hairstyles etc. that detract from them looking smart.
- We kindly request that full uniform is worn at all times, unless it is a non-uniform day. Full uniform also includes having a P.E and/ or swimming kit when needed.
- Uniform will be checked at the beginning of each day during 'Team Meetings'. If all the children in the Team come into school in full uniform all week, they will be supporting their peers in winning the weekly Team Trophy and earning an extra 10 minutes of break time per week.
- Please name all uniform as this helps if it gets lost.
- [Uniform List](#)

Reading at home

- We request that parents listen to their child read at least 3 times per week and **sign and date** their record book on each separate date.
- It is important that your child has the opportunity to read at home each week. If your child reads at home at least 3 times per week they will support their Team with winning the Team Trophy and a 100% Reading at Home Award.
- If your child reads at home 4 times per week or more, they will earn themselves a shining star!

Homework

- In the Early Years we will use Tapestry to send home activities linked to speech and language, personal and social development and counting skills. These activities are for you to complete together.

Food and drink at Adwick Primary

Drinks

- With the exception of packed lunches provided by parents, the school will provide pupils with drinks throughout the school day – this will be water and milk (if your child is entitled to milk) only.
- Please send in an empty water bottle with your child's name on it so that they use the bottle that belongs to them.
- Bottles can go home at the end of every day to be washed and returned.
- You may provide some chopped up fruit in the water bottle to flavour the water if you wish to do so.
- Any juice or flavoured water sent into school will be replaced with water, unless juice or flavoured water is recommended by a doctor for medical purposes.
- You can register your child for school milk at www.coolmilk.com

Break time snacks

- Any snacks that are brought from home must be restricted to fruit or vegetables, unless recommended otherwise by a doctor for medical purposes (e.g., dietary need, diabetes etc.).
- Fruit is provided by the school at the Lower site.
- Cereal bars contain lots of sugar so we ask that you do not send these.

Packed lunches

- Some pupils prefer to bring a packed lunch. If this is the case, we request that you provide a packed lunch that is healthy, e.g., an appropriate amount for a child, no fizzy drinks, one sweet snack (no chocolate bars).
- Please do not send items that contain nuts due to pupils that have a nut allergy.
- Please note, chocolate spread is also not permitted as it can contain nuts.
- [Nut and Peanut Awareness Information](#)

Mobile phones, smart watches or other mobile devices

- Mobile phones and/ or smart watches or other mobile devices must not be used on the school property, both in the building and in the school grounds.
- If a child brings a mobile phone etc. to school, it must be switched off and given to their class teacher for safe keeping.
- Please note, the school will not be held responsible for any safekeeping of a Mobile Phone, Smart Watch or other Mobile Device.
- If a child uses a mobile phone etc. on the school property or fails to hand in a mobile phone etc. it will be confiscated and a parent/ carer will need to collect the confiscated item from the school. Parents/ carers will be informed if an item has been confiscated.

Thank you in advance for supporting your child and the school.
