Welcome Back

Miss Hodge and Miss Louis would like to offer a very warm welcome to the Autumn term. Our Teaching Assistants are Mrs Rawden and Miss Herring. If you have any concerns throughout the year, please do not hesitate to contact us by telephoning the school office.

Many thanks for your continued support.

The Reception Team.

Important Dates & Information

Key Diary Dates

Key diary dates for the term can be accessed here.

Reception Nativity Performance – Wednesday 9th December 2026

Trip date

Walk to the local park – Thursday 15th October 2026
Christmas carols around the tree – Tuesday 15th December 2026

Parent Workshop date

Welcome to Reception – September (date TBC)

Key information

Please take a look at the school website for further support and information on the Early Years
EYFS Curriculum - Adwick Primary School

Instagram

We hope you all have access to the Instagram app or website. Remember to look out for photographs and videos of what your child has been learning.

Curriculum Information

Literacy

In literacy during the Autumn term, we will be focusing on using our phonics sounds to spell CVC words, for example, “yes, got, bin, zip etc”. This will follow through into our topic work where we will be focussing on our 5 senses. Children will be able to identify each sense and explain how they can be used.

The stories we are sharing this term will be;

- Little Red Hen
- The Gingerbread Man
- Senses – Non-fiction list
- Little Red Riding Hood
- The Three Billy Goats Gruff
- Christmas – Non-fiction list
- The Nativity Story

Numeracy

In Numeracy during the Autumn term, we will be focusing on learning how to touch count, compare and recognise amounts to 5. We will learn how to subitise amounts to 5 by instantly recognising how many items we can see without touch counting them. We will explore the composition of numbers to 5. We will also master how to recall one more and one less than numbers up to 5. The children will learn how to recall number bonds to 5.

Topic

In Topic, our children will learn how to explore their 5 senses through a range of adult-led activities. The children will use their sense of taste, smell and touch to try a variety of different fruits. They will use their sense of sight to study their reflection and recreate this in a beautiful self-portrait. They will also play a ‘listening lotto’ game and match the indoor or outdoor sound to the correct picture.

Further Information

We have the highest expectations of pupils at Adwick Primary in terms of both their behaviour and progress at school. This is underpinned by our Character Values (see below), which shape and determine the culture at the school.

Character Values

- Compassion
- Integrity
- Respect
- Courage
- Ambition

Pupil Code of Conduct

Pupils are expected to follow the school's Character Values, showing respect for the rights and needs of other pupils and of all adults in our school community. We kindly request that parents/ carers support the school in helping their child to uphold our Pupil Code of Conduct by encouraging them to conduct themselves in a positive manner by:

- Behaving in an orderly and self-controlled way
- Showing respect to members of staff and each other
- In class, making it possible for all pupils to learn
- Moving quietly and orderly around the school
- Treating the school buildings and school property with respect
- Wearing the correct uniform at all times
- Accepting the behaviour correction strategy when given, and appropriately completing the behaviour correction strategy given
- Refraining from behaving in a way that brings the school into disrepute, including when outside school and in the community

The school's behaviour policy can be accessed here.

Attendance and punctuality

- Excellent attendance at school is important as it enables your child to fulfil their potential. Every single day your child is absent from school equates to a day of lost learning. We class 'Excellent' attendance as 100% and 'Good' attendance as 97%.
- Every child should have at least Good attendance (97% +) to enable them to fulfil their potential – every day at school matters.
- We kindly request that every child is on time and ready to learn each day. Lateness can cause issues with your child's learning and self-esteem.
- Drop-off and pick-up times and procedures
- Attendance Matters information

Holiday requests in term time

- You can demonstrate your commitment to your child's education by not taking holidays during term time.
- Any child or young person who is absent from school due to a holiday will miss out on important learning and will fall behind with their school work.
- In each academic year, there are only a maximum of 190 statutory school days. This allows plenty of time (175 days) for holidays to be arranged outside term time.
- Details on school holiday dates, bank holidays and training days can be accessed here.
- ***Please note, Adwick Primary will not authorise any holidays in term time. These will be categorised and recorded as an unauthorised absence.***

Pupil uniform

- Wearing a uniform gives the children a sense of belonging to a community and is also good preparation for Secondary School and the workplace.
- The school encourages pupils to look smart and avoid any extreme hairstyles etc. that detract from them looking smart.
- We kindly request that full uniform is worn at all times, unless it is a non-uniform day. Full uniform also includes having a P.E and/ or swimming kit when needed.
- Uniform will be checked at the beginning of each day during 'Team Meetings'. If all the children in the Team come into school in full uniform all week they will be supporting their peers in winning the weekly Team Trophy and earning an extra 10 minutes of break time per week.
- Please name all uniform as this helps if it gets lost.
- Uniform List

Reading at home

- We request that parents listen to their child read at least 3 times per week and **sign and date** their record book on each separate date.
- It is important that your child has the opportunity to read at home each week. If your child reads at home at least 3 times per week they will support their Team with winning the Team Trophy and a 100% Reading at Home Award.
- If your child reads at home 4 times per week or more, they will earn themselves a shining star!

Homework

- The weekly focus for homework will be reading, learning spelling and learning times tables.

- By completing their homework every week, your child will be supporting their Team with winning the Team Trophy and earning an extra 10 minutes of break time per week.

Food and drink at Adwick Primary

Drinks

- With the exception of packed lunches provided by parents, the school will provide pupils with drinks throughout the school day – this will be water and milk (if your child is entitled to milk) only.
- Please send in an empty water bottle with your child's name on it so that they use the bottle that belongs to them.
- Bottles can go home at the end of every day to be washed and returned.
- You may provide some chopped up fruit in the water bottle to flavour the water if you wish to do so.
- Any juice or flavoured water sent into school will be replaced with water, unless juice or flavoured water is recommended by a doctor for medical purposes.
- You can register your child for school milk at www.coolmilk.com

Break time snacks

- Any snacks that are brought from home must be restricted to fruit or vegetables, unless recommended otherwise by a doctor for medical purposes (e.g. dietary need, diabetes etc.).
- Fruit is provided by the school at the Lower site.
- Cereal bars contain lots of sugar so we ask that you do not send these.

School lunches

- We provide our own catering for school meals because we want to keep costs low for parents. Our meals are currently **£1.70** a day.
- At Adwick Primary, all school meals will be prepared following the government nutritional guidelines, as stated in the Public Health Report, published in 2014, by Public Health England and the NAHT.
- We will provide Universal Free School Meals for pupils in Foundation Stage 2 and Key Stage 1. We are committed to providing food which is compliant with all national guidelines.
- Pupils are provided with a 'choice menu', which varies on a daily basis.
- Any special dietary requests for school meals need to be confirmed with medical evidence.
- Pupils are encouraged to be independent during the meal and clearing up after themselves at the end by tidying their plates and cutlery away.
- We kindly request that your child orders their meals online, from home, via the School Grid app. access this. You can order meals for a day, week and half term in advance.
- If you need support with logging no or ordering meals, please contact the office team.

Packed lunches

- Some pupils prefer to bring a packed lunch. If this is the case, we request that you provide a packed lunch that is healthy, e.g. an appropriate amount for a child, no fizzy drinks, one sweet snack (no chocolate bars).
- Please do not send items that contain nuts due to pupils that have a nut allergy.
- Please note, chocolate spread is also not permitted as it can contain nuts.
- Nut and Peanut Awareness information
- Packed lunches provided for school trips, as part of our Free School Meal provision, comply with National Food Standards.

Mobile phones, smart watches or other mobile devices

- Mobile phones and/ or smart watches or other mobile devices must not be used on the school property, both in the building and in the school grounds.
- If a child brings a mobile phone etc. to school, it must be switched off and given to their class teacher for safe keeping.
- Please note, the school will not be held responsible for any safekeeping of a Mobile Phone, Smart Watch or other Mobile Device.
- If a child uses a mobile phone etc. on the school property or fails to hand in a mobile phone etc. it will be confiscated and a parent/ carer will need to collect the confiscated item from the school. Parents/ carers will be informed if an item has been confiscated.

Thank you in advance for supporting your child and the school.
